Human Subjects in Research: Prior to the initiation of a research project involving human subjects, projects must be reviewed and approved by a University of Iowa Institutional Review Board (IRB). Simply interviewing people constitutes “human subject” research. Students are encouraged to allow a minimum of eight weeks to process an IRB application. For more information go to: <http://hso.research.uiowa.edu/human-subjects-research-determinations>

My research project is subject to IRB approval (please check one):

- Yes
- No
